**NCSC Mission:** Our mission is to provide an exemplary educational experience that maximizes each student’s highest potential.

**NCSC Vision:** NCSC collaboratively focuses human resources, financial resources, material resources, and creative resources to ensure successful students.

**Focus #1:** Increasing Academic Achievement – Children growing to their fullest academic potential is our prime objective. High expectations for achievement with a no-excuses attitude demonstrates our determination.

**Focus #2:** Developing The Whole Child. - Children are multi-dimensional, and all children are gifted in their own way. All students at NCSC deserve opportunities to become well-rounded community citizens. Employees and families, too, deserve opportunities to grow. We all “GROW@ THE CREEK”.

**Focus #3:** Building School/Home/Community Partnerships - Everyone has a role to play in the success of our children. This community is where our children live now, and this community is where our children will live and bring up their children in the future. Children contribute to and participate in the community because it is the right thing to do.
