

March 19, 2020

Dear Tiger Families:

I hope everyone is managing the crazy circumstances of the COVID-19 pandemic. At his 1:00 p.m. news conference today, Governor Holcomb announced the following:

- Schools are to remain closed through Friday, May 1, 2020.
- All state testing is canceled for this school year.
- There has been (as of now) no information from the IHSAA regarding Spring sports.

As a result of that announcement, below is how we are going to handle our weeks moving forward beginning with April 13:

<u>April 13</u> Waiver Day	<u>April 14</u> Waiver Day	<u>April 15</u> Waiver Day	<u>April 16</u> Waiver Day	<u>April 17</u> Waiver Day
<u>April 20</u> Waiver Day	<u>April 21</u> Purple Day eLearning	<u>April 22</u> Gold Day eLearning	<u>April 23</u> Purple Day eLearning	<u>April 24</u> Waiver Day
<u>April 27</u> Waiver Day	<u>April 28</u> Gold Day eLearning	<u>April 29</u> Purple Day eLearning	<u>April 30</u> Gold Day eLearning	<u>May 1</u> Waiver Day

- I really need all of you to be completing your eLearning Day assignments as they come to you. I realize this is a really unusual way of learning. However, in order to earn credits, we will have to be able to document your participation in the class. Please don't wait until the last minute to complete assignments as teachers are often using that data to determine next steps instructionally.
- If you are having difficulty, please reach out to your teachers and seek help. They are available and here to help!
- We will continue with our food distribution program at HES through Tuesday, March 24.
- During Spring Break, please see the food distribution schedule attached to the email.
- Beginning Monday, April 6 (and continuing on weekdays through May 1), we plan to have three distribution sites for food. More info on that to come after Spring Break.
- If you have any special needs, please email Dr. Barrentine directly.

Go Tigers!

Respectfully,

Dr. Kyle G. Barrentine
