The regular meeting of the Board of School Trustees was called to order by
Mr. Rhoades at 6:31 p.m. in the Library at the Elementary Building.

CALL TO ORDER OF
BOARD MEETING

Dr. Doering certified compliance with the open meeting law.

Mrs. Bennett administered the oath of office to all board members present.

**OATH OF OFFICE** 

With the number of guests present for the action on renaming facilities, the order of the agenda was changed to move it to the beginning of the meeting to allow any present to leave as needed after the motions and actions. Dan Davis started by stating the following:

Nettle Creek School Corporation has a long and impressive history exemplified by an endless list of dedicated public servants. On occasion it becomes appropriate to memorialize the best of this group by permanently naming a field, building, or facility in honor of these great colleagues. Tonight I intend to make two such motions honoring some of the greatest servants to ever represent the purple and gold. First, he moved move to name the bus garage the Hunt Transportation Center. This motion is intended to honor three of the finest drivers to ever sit behind the wheel of a Nettle Creek school bus. Gerald Hunt began his career in 1963 and served our school corporation for 36 years. Marilyn Hunt began her career in 1973 and served our school for 20 years. Niles Hunt began his career in 1973 and retired last year with more than 500,000 miles following his 45th year of service to our school system. In total, the Hunt family has given the patrons of our school corporation 101 years of service. I would consider it an honor if the board would accept this motion and act on the same this evening.

Bob Clark seconded the motion and it carried 7/0 to rename the bus garage The Hunt Transportation Center.

Dan Davis stated his second motion was twofold; First, I move to change the name of Cory Field to Cory Athletic Complex. Frank Cory was born in Randolph County in 1892. He was a 1917 graduate of Indiana University, and a 1923 graduate of Columbia University, in New York. Several area schools were fortunate to receive Mr. Cory's expertise in education. He was the Principal of Fountain City schools, the Superintendent of Centerville Schools, and later the assistant Superintendent of County Schools in Oxford Ohio before becoming Superintendent of Hagerstown in 1926. He remained in Hagerstown until his retirement in 1958 serving our patrons for 32 years. Cory Field already bears his name, but throughout the years has become much more than just a field. That complex now houses Lloyd Michael Baseball Field, The Lacy Building, a fine facility for track and field competitions, and a football field needing a name.

Therefore, the second part of this motion is to rename our gridiron, Mark Child
Football Field. Mr. Childs began his legendary Tiger tenure in 1984 as
assistant principal and head football coach. In just 6 seasons, he led the
Tigers to 2 TEC titles, 2 sectional titles, 1 regional title, 1 undefeated
season, and 1 final four appearance, twice losing to the eventual state
champions. In 1990 he was promoted to Proud Principal of Hagerstown Jr. Sr. High
School where he coined the phrase, "remember, it's up to you to make it a
super day." In total, Mr. Childs served our school corporation for 33 years and
can still be found attending all sporting events and reminding every student,
"it's up to you to make it a super day!" It would certainly make my day Super if the board would act on this in honoring
both Mr. Frank Cory and Mr. Mark Childs.

Eric Richardson seconded the motion and it carried 7/0 to change Cory Field to Cory Athletic Complex and the gridiron to Mark Child Football Field.

Both recommendations and action received standing ovations exhibiting the enthusiasm and pride felt among the community and staff for the individuals and their time, energy, and effort placed within our school and its students.
