OPEN MEETING

The open meeting of the Board of School Trustees was held to take public comment on the tentative Teacher’s Agreement.

Dr. Williams stated the biggest change being proposed is to do away with the breakdown of sick, family illness, and personal days. They will be combined to leave days. They will still be able to accumulate, however, once they accumulate they will have to be used for sick days. Also being added in the wording will be after four (4) consecutive days off, the staff member will need a Doctor’s note to return to work.

Mandi Isaacs stated she is very pleased with how well this whole process went this year. She advocates for the teacher’s so that we can keep the amazing teachers we have and hopefully be able to recruit great teachers in the future as openings become available.

There were no public comments.

Richardson/Finney moved to cancel the Executive Session. Motion carried 4/0.
