Description	Unit Amount	Number	2021-2023	Total Amount
<p>Staff Stipends: Providing a \$2,000 stipend to all full-time Employees and a \$1,000 stipend to all part-time employees. Our board will pass a resolution, and we will have an MOU with the NCCTA.</p>	\$2,000 (98) \$1,000 (54)		2021	\$250,000.00
<p>Master Teacher: We will partner with NIET in order to strengthen teaching by training school leaders and teachers in academic recovery support and “how to” strategies for accelerating, individualizing, and monitoring learning. The Master Teacher will be a full-time instructional coach who will provide PD for teachers aligned with learning recovery and best instructional practices.</p>	\$61,500	2 (1 at each building)	Yes	\$246,000.00
<p>NIET Support: We will continue our partnership with NIET through utilizing their support for our principals and teachers. Principals urgently need support as they manage the challenges created by the pandemic. Learning recovery must be planned, implemented, and monitored by principals in coordination with district leaders. Training for principals, paired with individualized coaching, can address this need. Training and coaching help principals to develop essential mindsets and skills to build a culture that is continuously focused on advancing instructional practices, accelerating student learning, and improving outcomes for all students.</p>	\$55,000	2 (support at each building)	Yes	\$110,000.00
<p>NIET Portal: Full name of the portal is Educator Effectiveness Preparation and Support</p>	\$10,000	N/A	Yes	\$20,000.00
