PRESCHOOL UPDATE/SUMMER DAYCARE PROPOSAL

Mrs. Schaeffer provided an update on the preschool program. The enrollment fluctuated from 28 to 30 students throughout the year this year in the Gen Ed class. The Special Ed class has 24 students currently. Out of those numbers, 37 are expected to move on to Kindergarten this fall.

Enrollment has opened up for the preschool program for the upcoming school year. Currently, there are 27 spots filled, leaving three open spots for the Gen Ed class. The Special Ed class currently has 13 students. However, that number grows throughout the year.

Mrs. Schaeffer stated that parents have asked about having summer childcare. Mrs. Schaeffer and the Preschool committee met to figure out a plan to offer this service to those parents. Mrs. Schaeffer stated that if they have at least 20 students who are currently enrolled in Preschool this school year. Hours would be 7:30 am until 6 pm Monday through Friday. The cost would be \$100 per week per student.

Mrs. Schaeffer also proposed a Lead Daycare Role. This individual would work 231 days. They would be the lead person in the daycare to see routines are met and oversee the summer program. If we are not able to offer a summer program, this lead role would then only work 181 days.
