**eLearning/Snow Make-Up Day Guidance**  
**December 12, 2022**

Tiger Families:

We wanted to take a moment to provide some updated guidance regarding weather-related school closings for the 2022-2023 school year. Last Spring, the Indiana General Assembly released guidance only allowing schools to utilize three (3) eLearning days during one academic year. Nettle Creek Schools utilized one of those days in October for purposes of Parent/Teacher Conferences and staff professional development. Nettle Creek plans to use the remaining two eLearning days for future school closures due to weather.

Nettle Creek Schools also built-in make-up days in the corporation calendar for weather-related closings this year. They are as follows:

- January 16, 2023
- February 20, 2023
- March 24, 2023
- May 26, 2023
- May 30, 2023
- May 31, 2023

In the event of a weather-related school closing, **Nettle Creek Schools will follow the below guidance:**
