Student fees for 2021-22 School Year:

- Student fees will be handled using the same process we used last school year.
- Fees will be accessed in Powerschool during the last week of August to allow schedules to settle. Parents/Guardians will be able to view their student's accessed fees via the Parent Portal in Powerschool.
- Statements will be mailed to parents/guardians at the end of August and every month thereafter through November. Parents may mail in checks or drop them off at the school office, 297 East Northmarket Street.
- Parents/guardians may also pay online by clicking on the link to E-Funds-for-schools at the Parent Portal.

If you have any difficulty making payment, please contact the Business Manager, Drew Cooper, at 765-489-4543. We will work with any parent/guardian to create a fair payment plan. Any fees not paid by January 15 will be turned over to our collection agent.
